LB 925, 936

SPEAKER NICHOL: The committee amendments are adopted. Senator Newell, back to the bill.

SENATOR NEWELL: Well the bill is the committee amendments now. It is pretty much an agreed to proposal except for two areas that I think I need to point out to the Legislature. One is the whole question of whether or not lawsuits by SID's to prevent annexation will be able to be funded out of the SID's general mill levy. And the second provision really is probably not all that controversial but it deals with getting prior approval, not prior approval but getting...working out an intergovernmental...subdivision agreement with the counties. I will support the bill as advanced right now from General File but I wanted to be on record that I may be offering some amendments later on.

SPEAKER NICHOL: The question...Senator Newell, did you wish to close? The question is the advancement of the bill. All those in favor vote aye, opposed nay. We are voting on the advancement of LB 925 and I need a little help. Record, Mr. Clerk.

CLERK: 26 ayes, 0 nays on adoption of the motion to advance the bill.

SPEAKER NICHOL: The bill is advanced. LB 936.
